U.S. DISTRICT COURT
DISTRICT OF MARYLAND
NOTICE

Pursuant to Title 28, United States Code, Section 3201, this judgment upon the filing of this abstract in the manner in which a notice of tax lien would be filed under paragraphs (1) and (2) of 26 U.S.C. § 6323(f), creates a lien on all real property of the defendant(s) and has priority over all other liens or encumbrances which are perfected later in time. The lien created by this section is effective, unless satisfied, for a period of 20 years and may be renewed by filing a notice of renewal. If such notice of renewal is filed before the expiration of the 20 year period to prevent the expiration of the lien and the court approves the renewal, the lien shall relate back to the date the judgment is filed.

Abstract of Lien
 & all qualified
 liens

Notice of Estate Tax Lien

Filed this 22nd day of June 1998 at 3:18 p.m.

Clerk (or Registrar)

Internal Revenue Code

Sec. 6324B. Special lien for additional estate tax attributable to farm, etc., valuation.**(a) General rule.**

In the case of any interest in qualified real property (within the meaning of section 2032A(b)), an amount equal to the adjusted tax difference attributable to such interest (within the meaning of section 2032A(c)(2)(B)) shall be a lien in favor of the United States on the property in which such interest exists.

(b) Period of lien.

The lien imposed by this section shall arise at the time an election is filed under section 2032A and shall continue with respect to any interest in the qualified real property—

(1) until the liability for tax under subsection (c) of section 2032A with respect to such interest has been satisfied or has become unenforceable by reason of lapse of time; or

(2) until it is established to the satisfaction of the Secretary that no further tax liability may arise under section 2032A(c) with respect to such interest.

(c) Certain Rules and Definitions Made Applicable.

(1) **In general.** The rule set forth in paragraphs (1), (3), and (4) of section 6324A(d) shall apply with respect to the lien imposed by this section as if it were a lien imposed by section 6324A.

(2) **Qualified real property.** For purposes of this section, the term "qualified real property" includes qualified replacement property (within the meaning of section 2032A(h)(3)(B)) and qualified exchange property (within the meaning of section 2032A(i)(3)).

(d) Substitution of security for lien.

To the extent provided in regulations prescribed by the Secretary, the furnishing of security may be substituted for the lien imposed by this section.

Sec. 6324A. Special lien for estate tax deferred under section 6166.**(a) Special rules.**

(1) **Requirement that lien be filed.** The lien imposed by this section shall not be valid as against any purchaser, holder of a security interest, mechanic's lien, or judgment lien creditor until notice thereof which meets the requirements of section 6323(f) has been filed by the Secretary. Such notice shall not be required to be mailed.

(2) **Period of lien.** The lien imposed by this section shall arise at the time the executor is discharged from liability under section 2204 (or, if earlier, at the time notice is filed pursuant to paragraph (1)) and shall continue until the liability for the deferred amount is satisfied or becomes unenforceable by reason of lapse of time.

(3) **Priorities.** Even though notice of a lien imposed by this section has been filed as provided in paragraph (1), such lien shall not be valid—

(A) Real property tax and special assessment liens. To the extent provided in section 6323(b)(6).

(B) Real property subject to a mechanic's lien for repairs and improvements. In the case of any real property subject to a lien for repair or improvement, as against a mechanic's lienor.

(C) Real property construction or improvement financing agreement. As against any security interest set forth in paragraph (3) of section 6323(c) (whether such security interest came into existence before or after tax lien filing).

Subparagraphs (B) and (C) shall not apply to any security interest which came into existence after the date on which the Secretary filed notice (in a manner similar to notice filed under section 6323(f)) that payment of the deferred amount has been accelerated under section 6166(g).

(4) **Lien to be in lieu of section 6324 lien.** If there is a lien under this section on any property with respect to any estate, there shall not be any lien under section 6324 on such property with respect to the same estate.

Sec. 6323. Validity and priority against certain persons.

(b) **Protection for certain interests even though notice filed.** Even though notice of a lien imposed by section 6321 has been filed, such lien shall not be valid—

(6) **Real property tax and special assessment liens.** With respect to real property, as against a holder of a lien upon such property, if such lien is entitled under local law to priority over security interests in such property which are prior in time, and such lien secures payment of—

(A) A tax of general application levied by any State or local government, based upon the value of such

foregoing.

(c) Protection for certain commercial transactions financing agreements, etc.—

(3) **Real property construction or improvement financing agreement.** For the purposes of this subsection—

(ii) a contract to construct or improve real property, or

For the purposes of clause (iii), the furnishing of goods and services shall be treated as the disbursement of cash.

ABSTRACT OF JUDGMENT

NOTICE

Pursuant to Title 28 United States Code, Section 3201, this judgment upon the filing of this abstract in the manner in which a notice of tax lien would be filed under paragraphs (1) and (2) of 26 U.S.C. § 6323(f), creates a lien on all real property of the defendant(s) and has priority over all other liens or encumbrances which are perfected later in time. The lien created by this section is effective, unless satisfied, for a period of 20 years and may be renewed by filing a Notice of Renewal. If such Notice of Renewal is filed before the expiration of the 20 year period to prevent the expiration of the lien and the court approves the renewal, the lien shall relate back to the date the judgment is filed.
